ABOUT COMNET

Since 1984, ComNet Communications LLC has been installing and maintaining mission-critical network infrastructure systems for enterprise companies.

In addition to traditional voice/data cabling, we have developed the capabilities and reputation as an industry leader for data center, audio visual, physical security and wireless installations. Our nationwide footprint makes us the ideal choice for coast to coast support and national rollouts.

ENHANCING THE GUEST EXPERIENCE

Audio Visual Systems are paramount in any hotel or entertainment venue. From aesthetically pleasing landscape speaker systems and playlists specifically curated for your brand, to wayfinding and crowd control digital signage, ComNet provides AV solutions that elevate your customer's experience to unparalleled levels.
