RETAIL

CLIENT: Fortune 500 Top 10 Retailer specializing in electronic commerce and cloud computing.

VALUE: \$12M+ Annually

PROJECT: Network upgrades and installs at both existing and new fulfillment centers across the United States.

CHALLENGES

- Scheduling and strict timelines were tight to shrink the time between the investment of capital and the generation of sales and profitability.
- Multi-site deployment complicated the coordination of resources and material flow.
- Sites which contained construction environment, high ceilings and distribution center automation required special safety guidelines.

SOLUTIONS

- Provided a dedicated project team to ensure consistency and material flow, and skilled labor deployment to meet a tight deadline.
- Video surveillance: value of goods on hand needed to be protected with 24hr surveillance and access control.
- OSHA certified labor force.
