- Surveillance
- Intrusion Detection
- Access Control
- Smart Technologies
- Control Systems

ABOUT COMNET

Since 1984, ComNet Communications LLC has been installing and maintaining mission-critical network infrastructure systems for enterprise companies.

In addition to traditional voice/data cabling, we have developed the capabilities and reputation as an industry leader for data center, audio visual, physical security and wireless installations. Our nationwide footprint makes us the ideal choice for coast to coast support and national rollouts.
