

The right choice  
TO CONNECT YOUR BUSINESS

## AUDIO VISUAL SERVICES

Today's enterprise audio visual systems are more feature-rich, easy to use, and affordable than ever before. Whether you are a retailer, bank, small business, or corporation, ComNet designs A/V solutions to help your business engage with customers, deliver your message, and enhance corporate communications.

## ABOUT US

Since 1984, ComNet Communications LLC has been installing and maintaining mission-critical network infrastructure systems for enterprise companies.

In addition to traditional voice/data cabling, we have developed the capabilities and reputation as an industry leader for data center, audio visual, physical security and wireless installations.
