LOCATION: Kissimmee, FL

VALUE: \$700,000+

ComNet was entrusted with the comprehensive Audio Visual (AV) integration for the expansion of the Gaylord Palms Resort and Convention Center. This project involved designing, installing, and commissioning advanced AV systems to support the resort's enhanced facilities, including new event spaces, meeting rooms, and guest areas.

The scope of work included deploying state-of-the-art audio, video, and control systems to ensure seamless connectivity, exceptional sound quality, and high-definition visual experiences. The integration was tailored to meet the diverse needs of the resort's hospitality and event operations, providing cutting-edge solutions that enhance the functionality and appeal of the expanded spaces.
