ComNet's integrity, expertise and ability to turn challenges into profitable growth opportunities is the foundation for our reputation and success in a demanding and changing industry. Our dedication to customer service, our understanding of the most sophisticated technology and our attention to the slightest detail assures that our customers will always be connected to the future.

EDUCATION

CLIENT: Private Ivy League University

VALUE: \$1.8M+ Ongoing

PROJECT: New campus fiber optic and copper backbone systems installation.

CHALLENGES

- Detailed survey of the existing backbone in a complex environment.
- Live cut over a mission-critical IT network.
- Project size and tight timeline placed challenges on labor force allocation.

SOLUTIONS

- Designed and installed a complete campus fiber and copper backbone.
- Assigned a dedicated Site Foreman and an 18 technician crew to properly staff the project.
- Collaborated with the GC and end user to minimize client disruption through detailed scheduling.
- Utilized OSHA and Confined Space certified technicians reporting to a Site Safety Manager to ensure safety.
