ComNet's integrity, expertise and ability to turn challenges into profitable growth opportunities is the foundation for our reputation and success in a demanding and changing industry. Our dedication to customer service, our understanding of the most sophisticated technology and our attention to the slightest detail assures that our customers will always be connected to the future.

# MEDIA & ENTERTAINMENT

**CLIENT:** Television Broadcasting Company

**VALUE:** \$1.5M+ Project

**PROJECT:** ComNet was responsible for the buildout of our customer's digital media operations in a 450,000sf facility in the Southeast.

## CHALLENGES

- Installation, termination, testing and labeling of 6500+ category 6a cables and fiber backbone in a condensed timeframe.
- Project size and deadline posed challenges to proper labor force allocation.
- Project scope, customer timeline, and intricate components meant working efficiently and quickly.

## SOLUTIONS

- Assigned a dedicated a Field Project Manager for the duration of the project.
- Collaborated and communicated with the General Contractor and client to adhere to the construction schedule.
- Labor force fluctuated from 6-20 technicians in order to scale to customer requirements.
- Outfitted the staff with the equipment and testers needed to maintain productivity.
