www.comnetcomm.com

ComNet's integrity, expertise and ability to turn challenges into profitable growth opportunities is the foundation for our reputation and success in a demanding and changing industry. Our dedication to customer service, our understanding of the most sophisticated technology and our attention to the slightest detail assures that our customers will always be connected to the future.

WAREHOUSE & STORAGE FACILITIES

CLIENT: Fortune 100 Top 10 Retailer Specializing in E-commerce and Cloud Computing

VALUE: \$12M+ in Recurring Warehouse Infrastructure Projects

PROJECT TYPE: Nationwide Network Installations, Upgrades, and Security Systems Across High-Volume Warehouse Facilities

A Fortune 100 e-commerce giant selected ComNet Communications to upgrade and expand network infrastructure across multiple warehouse facilities nationwide.

Challenges

- Compressed timelines tied to business growth and seasonal demand
- Complex installations in active construction zones
- Advanced security needs for high-value inventory
- OSHA compliance across all sites

Solutions Delivered

- Centralized project management to coordinate dozens of locations
- OSHA-certified technicians for high-clearance, high-risk environments
- Over 3 million feet of structured cabling (copper and fiber)
- Wireless networks to support warehouse mobility and real-time operations
- Surveillance systems and access control for 24/7 site security
- Full facility coverage, including multi-floor environments over 4M sq. ft.

Results

- On-time delivery at all locations
- Enhanced wireless and wired infrastructure performance
- Strengthened inventory protection and site-wide monitoring
- A trusted relationship built on safety, quality, and execution
